PERSONAL EFFECTS

These items apply to every camper, regardless of gender.

- Bible – the only book aside from writing materials permitted
- Notebook and pen
- Reusable water bottle
- Waist pouch or small backpack – for carrying items during activities
- Name tags or labels on all properties – helps reunite lost items

MEDICALS

- Campers with asthma MUST bring at least one personal inhaler and keep it within comfortable reach.
- Campers on medication for any condition should bring the medication to camp and report it to their Tribe head.
- Please list any allergies (food, drug, or otherwise) on the registration form ahead of camp so Tribe heads and the medical team are aware.

ITEMS NOT ALLOWED

- Electronic gadgets, including mobile phones, laptops, games consoles, iPads, smart watches, and iPods.
- Cash for purchasing food and beverages – meals and snacks are provided.
- Any books other than writing materials and a Bible.
- Precooked, bottled, or canned provisions, or any provisions deemed dangerous to camper safety.

RIGHT TO SEARCH

- Searching is a condition of entry, attendance, or continued attendance, to protect the safety of all campers.
- Camp Board may conduct security searches of clothing, bags, and other items at its reasonable discretion.
- Searches identify prohibited items and help maintain a safe environment for everyone attending.
- Items deemed inappropriate will be confiscated and returned at the end of the program; illegal items will not be returned.
